

Last Name:	First Name:
UCR SID:	Phone#:
Visa status:	Travel Destination(s):
Estimated travel departure date:	Estimated travel re-entry date:

- 1. Do you currently have a U.S. entry visa that will be valid for re-entry upon your return?**

Yes No
- 2. Will you be applying for a new U.S. entry visa during your travels?**

Yes No

If you do not have a valid visa, please also fill out a student status letter request form.
- 3. Have you ever been arrested in the United States?**

Yes No

If yes, please schedule an appointment with an advisor before making any travel plans!
- 4. Are you pursuing a graduate degree that could be considered sensitive to the security of the United States (biochemistry, electrical engineering, cell and molecular biology etc)?**

Yes No

*If yes, please be aware that there could be significant delays if you will be applying for a visa.
If you have questions, please make an appointment with an advisor.*
- 5. Are you currently on OPT?**

Yes No

*If yes, make sure you take documentation to prove you are employed. Leaving the U.S. without proof of employment is risky due to the new interim final rule requiring employment.
If you do not have a valid re-entry visa, please make an appointment with an advisor before making any travel plans!*

Signature of student

Date

PLEASE NOTE: Graduate Students, you should notify BOTH your PI and your department when you plan to leave the U.S., especially if you are currently a TA or GSR or plan to be one in the near future.

We will email your UCR email address when your 1-20/DS20-19 has been signed. You can then pick up your I-20/DS20-19 at the front desk of the ISRC.
